

2022 IEEE ELECTRICAL INSULATION CONFERENCE  
Knoxville, TN, USA, June – 19 – 23, 2022

APPLICATION FOR STUDENT STIPEND

The IEEE 2022 Electrical Insulation Conference (EIC 2022) will provide \$500 (USD) towards expenses for up to 10 students. There is a limit of two (2) students per institution, selected on a first come, first served basis for international registrants. US applicants will be selected on a first come, first serve basis after the deadline of April 1, 2022. To become eligible to receive this stipend, students must comply with the following:

1. Be an IEEE and DEIS student member
2. The student must be an author on an EIC 2022 paper submission. The paper has been approved by the Conference Technical Chair
3. Student completed registration on time (before May 31, 2022)
4. Student attended the entire conference program
5. Student assisted the Organization Committee and completed a 2-hour task assigned by the Conference Students and International Support Chair.
6. Student completed and returned the information below including a recommendation letter from the Institution he/she represents.
